CERTIFICATION, CLASSIFICATION AND ACCREDITATION OF OIL/GAS INDUSTRY SERVICE COMPANIES

As specified in section 60A of the Petroleum (Drilling and Production) Amendment Regulations 1988, no company shall render or be engaged to render any technical service to the Oil Industry without first being registered and issued a permit to carry out such services by the Director. The guidelines on the permitting process are as follows:

CATEGORIES

GENERAL PURPOSE

This category covers **minor supply works and maintenance** services. Applicants are therefore, expected to choose not more than two(2) services/jobs from ANY of the 3 classifications on page 7 or two(2) jobs from a chosen classification.

Registration under the General Purpose category attracts a statutory fee of **₦5, 000.00,(Five Thousand Naira)** payable in bank draft, written in favour of **Federal Government of Nigeria/DPR Fees Account.**

MAJOR CATEGORY

Companies who wish to register under the Major Category are required to possess technical/special relevant skills and the statutory registration fee is **₦25, 000.00 (Twenty Five Thousand Naira)** payable in bank draft, in favour of **Federal Government of Nigeria/DPR Fees Account.** Details of the jobs/services in this category are found on page (s) 4 to 11 in the guideline package.

SPECIALISED CATEGORY

This category requires that prospective registrants possess highly specialized/technical skills and the statutory registration fee of **₦250, 000.00 (Two Hundred and Fifty Thousand Naira)** is payable in bank draft, in favour of **Federal Government of Nigeria/ DPR Fees Account.** Details of the jobs/services in this category are found on pages 7 to 11 of the guideline package.

COMPLETING THE FORMS

All application packages should spiral bound and arranged as follows:

- (1) **Checklist** – This should be the first page of the application package. Ensure to use the appropriate checklist contained in the guidelines. The General Purpose checklist serves for both new applications and renewals. The other two checklists serves for major and specialized categories and are for new applications and renewals respectively. These are clearly indicated on each of the checklists.

Note that the paging of the entire document must be reflected on the “page” column of the relevant checklist used.

- (2) **Application Form** – This should be the next page required in the application package. It must be duly completed, signed and dated. All addresses and telephone numbers must be correct and functional at the time of submission. **Any change should be promptly communicated to the Department.**
- (3) **The Document; Certificate of Incorporation or Certificate of Registration** (in the case of an enterprise) follows next in the application package.
- (4) **Other documents** - It is important to arrange all other documents as listed on the appropriate checklist used in the order in which they are listed. All documents should be properly paged for ease of referencing and processing.
- (5) **Expatriate Quota** – Companies requiring Expatriate Quota for their businesses in the oil and gas sector are required to justify to the DPR, the positions needed before applying to the Federal Ministry of Interior. Such companies are also required to make annual returns to the Department on their HR indigenization programme.
- (6) **Certification by Professional Bodies** – The major and specialized categories of which services are rendered by professionals or licensed/certified practitioners are required to attach certificates of membership of Staff/company or relevant documents that govern or control such operations in Nigeria e.g. (i) **COREN for construction and engineering.** (ii) **Nigerian Environmental Society (NES), Nigerian Institute of Safety Professionals (NISP), Nigerian Institute of Science and Laboratory Technologists (NISLT), Nigerian Conservation Society (NCS) etc. for environmental related jobs.** (iii) **Civil Defence approval for security jobs, Nigerian Ports Authority (NPA) and Customs licence for Freight, Clearing and Forwarding.**
COMMUNITY AFFAIRS, SAFETY, HEALTH, ENVIRONMENT AND SECURITY (CASHES) Policy – This should reflect the nature of the job i.e. should be operations/job specific.

INSPECTIONS

The DPR would conduct inspection/assessment of the facilities for all new applicants under the major and specialized categories, prior to a consideration for the issuance of permits. Inspections would also be

January, 2010

conducted on companies whose permits had not been renewed for more than three (3) years preceding an application. All Environmental inspection are at random, Waste Management, Laboratory and Diving services, etc, will first be assessed for their professional competency prior to consideration for issuance of the relevant permits. Applicants are to note that this category of applications would take longer to be processed. It may be necessary to inspect existing companies/businesses who have applied for renewals from time to time. Companies must have as a minimum, physical presence in Nigeria. Inspections are without notice.

STATUTORY FEES

Statutory fees are non-refundable. Fees are paid in bank draft or bank certified cheques in favour of **Federal Government of Nigeria/DPR Fees Account.** Applicants are to ensure that bank drafts are **not** mutilated, altered or painted and must not be more than 3 months old as at time of submission. The name of the company must also be boldly written on the reverse of the bank draft. The bank draft must not be punched or stapled. **PAYMENT DOES NOT GUARANTEE A PERMIT.**

SUBMISSION OF APPLICATIONS

Applications can be submitted at any of our offices located in different parts of the country Monday through Friday between 10.00a.m. – 1.00 p.m. Thursdays are for enquiries only, 10.00 a.m. – 12.00 p.m.

COLLECTION OF PERMITS

Permits are issued Monday - Friday between 10 a.m. – 2 p.m; except on Thursdays. Only personnel whose company Photo-ID was submitted with the application will be allowed to pick up the permit, Alternatively, a Letter of Authority from the company, signed by one of the Directors will suffice.

DOCUMENT VERIFICATION AND PENALTIES

Please note that companies whose applications include false or forged documents will be disqualified, penalized and/or prosecuted.

January, 2010

USE OF REPRESENTATIVES

It is advised that competent persons submit applications on behalf of their companies, should there be a need for clarification on information contained in the submissions. Proxies should not represent companies as DPR will not deal with or entertain proxies under any circumstance.
